

DORJA CUG

born on 10/02/2002 in Zagreb, Croatia

contributed as team member to the project

DIGITAL TRANSFORMERS LONG TERM TRAINING PROGRAMME

in Vilnius, Lithuania; Armenia; and online

from 10/10/2022 to 22/04/2023

About the project

Digital Transformers long term training course included blended capacity building on digital youth work in the form of 4 online trainings, 1 residential training in Lithuania and 1 study visit in Armenia. The trainings focused on digital well-being, ethics and digital rights, digital sustainability, etc. Participation and Inclusion is a thread that has gone through all of the sessions. These trainings have been accompanied by 6 panel sessions with experts on the same topics.

The tasks of Dorja Cug

Creating a video journey from the training course. Recording and editing 7 interviews.

This certificate has been issued by SALTO Participation & Information Resource Centre.

LEARNING CONTEXT

The European youth programmes offer opportunities for non-formal and informal learning mobility that support the professional development of individuals involved in youth work and volunteering. Such mobility activities also promote the development and capacity-building of organisations and their systems. They support community-building, include cross-sectoral cooperation and contribute to policy implementation.

COMPETENCES DEVELOPED BY DORJA CUG

The following summary is the result of a reflection and self-assessment process which took place during and after the project.

Collaborating in teams

Contributing to teamwork and maintaining good working relations with everyone involved.

Communicating meaningfully

Interacting with colleagues and individuals. Constructively leading talks prior to interviewing participants.

Displaying intercultural sensitivity

This is the ability to support successful communication and collaboration among people from different cultural contexts and backgrounds.

Other competences

Leading interviews, filming footage and networking.
