To whom it may concern,

It is my pleasure to write a recommendation for my former student Dorja Cug.

Dorja is independent in her work, hardworking, creative, and communicates well with her colleagues while working in a team, which is extremely important for working on a film set in general.

She is interested in film in various forms and genres. Dorja is very eager to expand her knowledge and to gain new insights.

Under my mentorship, she developed many ideas and made several films that were screened at 5 Croatian film festivals, and at one of them won 2nd place with the film "Modern crookshow". Through her work, Dorja shows many skills, individuality and a unique way of solving problems, thinking outside the box and approaching tasks.

I strongly believe she will be an excellent film student just as she was an excellent high school student in film, video and animation school subjects.

Poštovani,

Zadovoljstvo mi je napisati preporuku za moju bivšu učenicu Dorju Cug.

Dorja je samostalna u radu, vrijedna i kreativna te dobro komunicira s kolegama tijekom rada u timu što je izrazito važno za rad na filmskom setu općenito.

Zanima je film u različitim formama, rodovima te žanrovima i veoma je željna znanja i novih spoznaja.

Pod mojim mentorstvom razradila je mnogo ideja i snimila nekolicinu filmova koji su bili prikazani na 5 hrvatskih filmskih festivala, a na jednom od njih osvojila je 2. mjesto s filmom „Moderna kugarica”. Dorja kroz rad pokazuje mnoge vještine, individualnost te jedinstveni način rješavanja problema, razmišljanja izvan okvira i pristupa zadatku.

Smatram kako će biti odlična studentica filma baš kao što je bila i izvrsna učenica na nastavnim predmetima filma, videa i animacije.
